SFREP
SOFTWARE FOR REAL ESTATE PROFESSIONALS

Important Software Upgrade
Install by 7/14/20 for Flood Maps

Appraise-It Classic v15.8.1 and Appraise-It Pro v1.8.1 were released last week.

In addition to other updates, necessary changes were made to flood maps. This is a required upgrade by 7/14/20 to continue using flood maps. In Appraise-It Classic go to *Help > Check for update*. In Appraise-It Pro go to *Support > Check for updates*.

With this latest upgrade you will find the quality of the map imagery has been improved, road and aerial map imagery can now be selected on the Edit Map panel, and much more.

If you have questions give us a call at 1-800-644-4051 or email tech@sfrep.com.

Videos Make Learning Easy

SFREP users have a wealth of information easily available to them. We have dramatically increased the number of tutorial videos for you. Choose from *What's New, Appraise-It Pro Overview, Using Image/Comp Manager, SFREP Websites* and so much more.

Take some time to review these videos, many less than five minutes long. Help speed up your work flow and get the most out of your software. SFREP sales representatives are available to answer any questions at 1-800-523-0872.

COVID-19 Flexibilities Extended

For the very latest information from Fannie Mae check out the Appraiser Update.

In this latest edition you will find three important topics: Extension of Flexibilities, UAD and Forms Redesign FAQs, and Real Estate Appraiser Survey from the Appraisal Foundation. All provide valuable information to appraisers.

Reminder:
- Look for updates on future appraiser conferences as plans are announced.
- Don't forget to sign up for Status Services to receive notifications regarding interruptions in online services. Click here to join.
