Appraise-It Pro is Brimming with New Features

Appraise-It Pro is loaded with new, valuable, user-friendly features. All were created to save you time. Here are a few:

- Add multiple copies of addenda
- Enjoy dockable panels
- Display two pages side-by-side
- Employ multi-monitor support
- Enjoy new report security
- Automatically optimize image size
- Edit UAD fields directly
- Field text automatically shrinks to fit
- View multiple forms simultaneously
- Add numerous photo pages, comparables, and sketches
- Add unlimited word processing pages and PDFs
- Edit reports after a digital signature has been applied
- View dramatically improved field auto-transfers between different form types
- Add/remove forms without the need to edit a skeleton file
- Spellcheck across the entire report

This next generation of appraisal software brings a solid, new platform loaded with improved capabilities. Appraise-It Pro is included in your annual subscription at no additional charge.

New Webinars for Appraise-It Pro and More

Explore all the impressive new features of Appraise-It Pro via webinar. It is easy to join, convenient to watch, and important to learn.

An Introduction to Appraise-It Pro will be presented several times this month in addition to *Tips and Tricks in Appraise-It Pro* and *How to Purchase a New Computer*.

Join a webinar this month and in the coming months as new topics are added. Simply go to our [Training Calendar](#). If you miss the in-person presentation, videos will be available on SFREP's [YouTube](#). No registration is required.

Refer Appraise-It Pro to a Friend and Get Rewarded

Refer Appraise-It Pro to your appraiser friends and everybody wins! Send your friends a FREE, 6-month, fully-functioning demo of the software that you know and love.

We will check to see how they are enjoying Appraise-It Pro. If they start a subscription, you'll get credit with a free month added to your subscription.

There is no limit on how many friends you can refer and how many free months you can receive. It takes only minutes to download and then sign-up is easy. Here's the [link](#).
