

# THE APPRAISAL REPORT

April 2023

## Automatic Renewals Begin May 1 - Hooray!

Customers have asked for it and we agree that renewing your annual subscription automatically

will simplify the process.

Beginning May 1, SFREP will automatically renew your annual software subscription.

You will receive an email notification two weeks prior to your annual renewal date. It will include the specifics of your Appraise-It Pro subscription using the same payment information as last year. You will receive a second notification when your renewal is complete. Subscribers need to respond only if they have user changes, product changes, or updated credit card information. Opting out is an option. Please contact your sales representative at 800-523-0872.

## Evening Webinars For Your Convenience

## Let Referrals Work for You Enjoy Rewards All Around

What better time is there to refer Appraise-It Pro to your appraiser friends? And what better time to be rewarded?

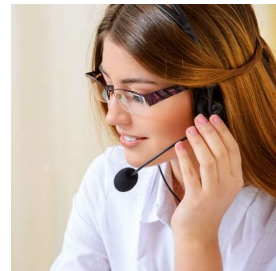

Send your friends a FREE, 6-month, fully-functioning demo of the software that you know and love. After 30 days, we'll check to see how they enjoyed Appraise-It Pro. If they start a subscription, you'll get credited with a free month added to your subscription.
