Better Phones to Better Serve Our Customers

We are upgrading our phone system to provide a better experience for our customers! As part of this transition, our phone service will be temporarily unavailable beginning Friday, March 14 at 11:30 AM EDT, while we complete the migration.

What to expect:

- Temporary phone service interruption during the upgrade.
- Improved call quality and efficiency once completed.
- Alternative support is available via email or chat support.

We appreciate your patience and understanding as we work to enhance our service.

Online Services - Know the Status

We rely on our online services every day, so staying informed about their status is essential. While rare, planned maintenance and occasional brief outages can still happen, potentially impacting one or more services. Getting updates as soon as possible helps you stay prepared.

Signing up for notifications is easy! Visit the [Status Services website](#) and click "Subscribe." If you're using Appraise-It Pro, go to Support > Check Service Status. In Appraise-It Classic, navigate to Help > Check Service Status.

2025 Appraiser Conferences Learn, Network, Participate

Join hundreds of appraisal industry professionals from across the country this year at one of the planned conferences. Earn CE credit, meet product experts, and be sure to drop by the SFREP booth and spend time with our representatives at any or all of the 2025 appraiser conferences.

TECH TIP

Classic Skeletons Into Appraise-It Pro? No problem!

You can easily convert your existing Appraise-It Classic skeleton into an Appraise-It Pro template

for a smoother transition.

In Appraise-It Pro, go to **Open > Open Classic Skeleton**. Navigate to the skeleton folder for your form type and choose your custom-named Classic skeleton. Once it opens, make any necessary changes, then select **Save As Template**.

Your Classic skeleton is now available as an Appraise-It Pro template. To access it, click once on your desired form type in the new forms list, and you'll find your saved template on the right-hand side.
